## MINICAM PHOTOGRAPHY

Vol. III, from September, 1939, to August, 1940

*General subjects have only the first word capitalized.*

† (dagger) indicates a short item, less than a page in length.

"A" and "The" at the beginning of article titles are omitted.

"Q & A" indicates that the item appeared in "Questions To The Editor" department.

"Kinks" and "Build It Yourself" items are mostly short items—one column or less.

\*\*\* (three asterisks) indicate that a correction for the article is given on page 7.

Authors are listed only for articles two or more pages in length.

References are to month of issue and page number. "Ja 22", for example, refers to January 1940, page 22.
